

Design QA Report

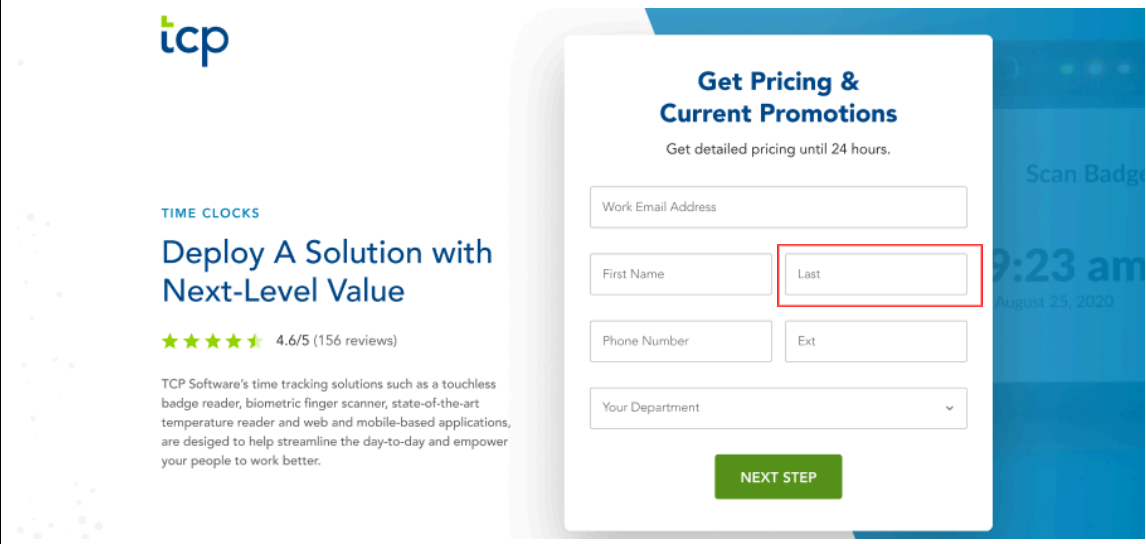

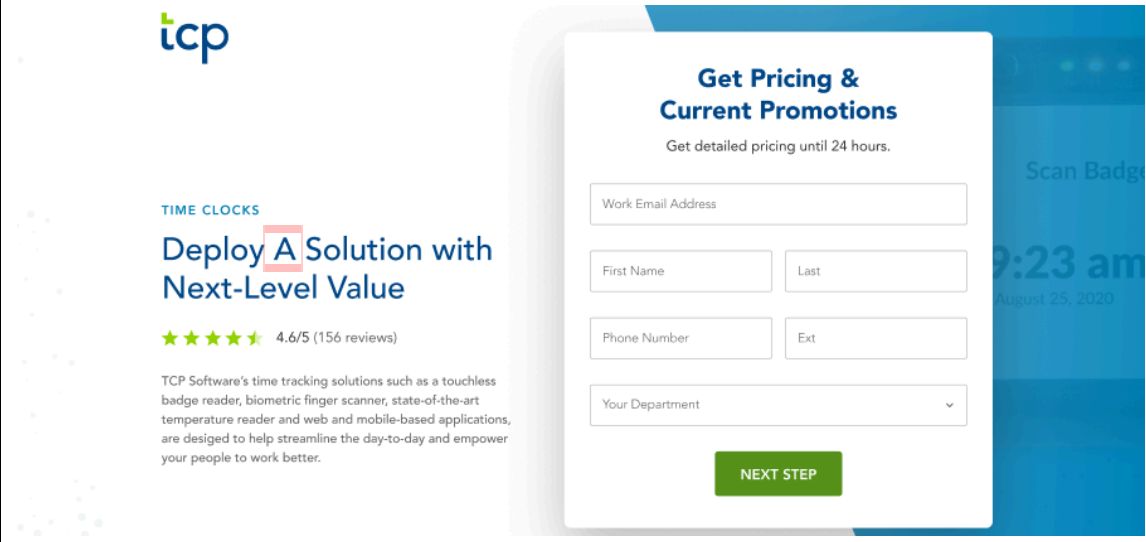

A quality assurance review of the **TCP Time Clock** variant design, identifying errors and inconsistencies to ensure accuracy before developer handover.

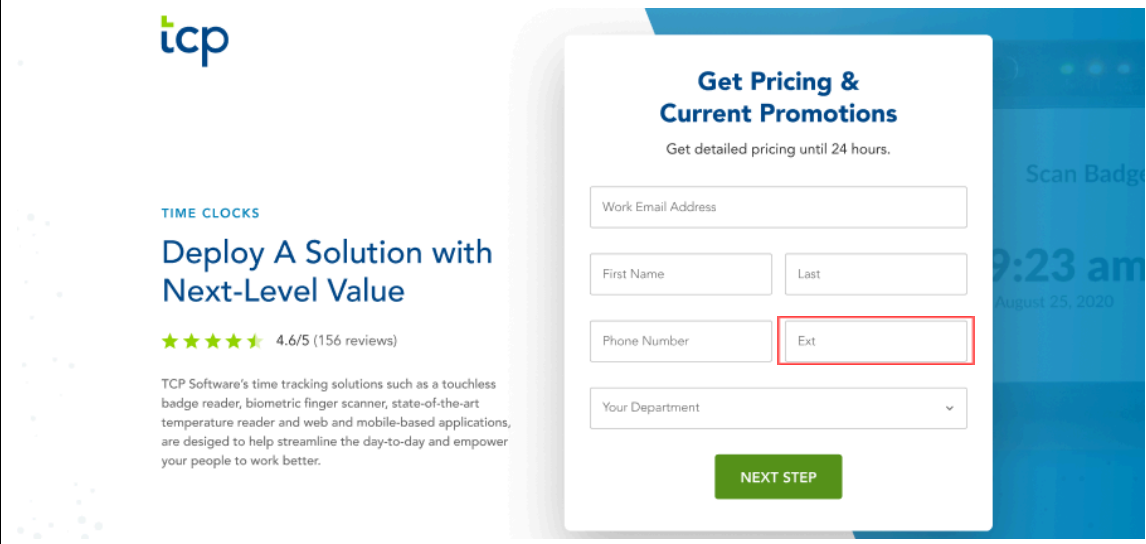

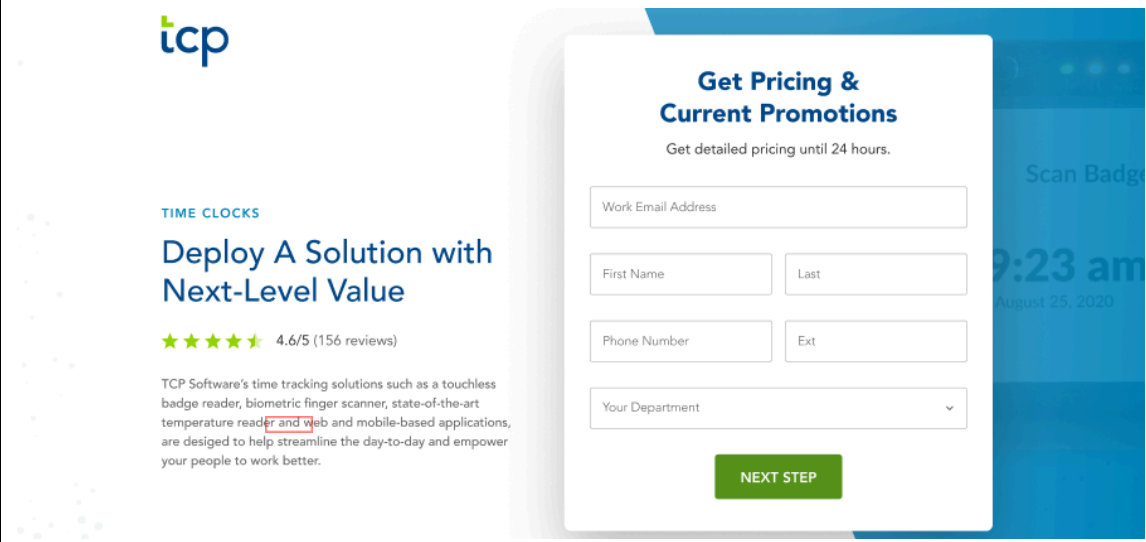

26 Bugs Identified

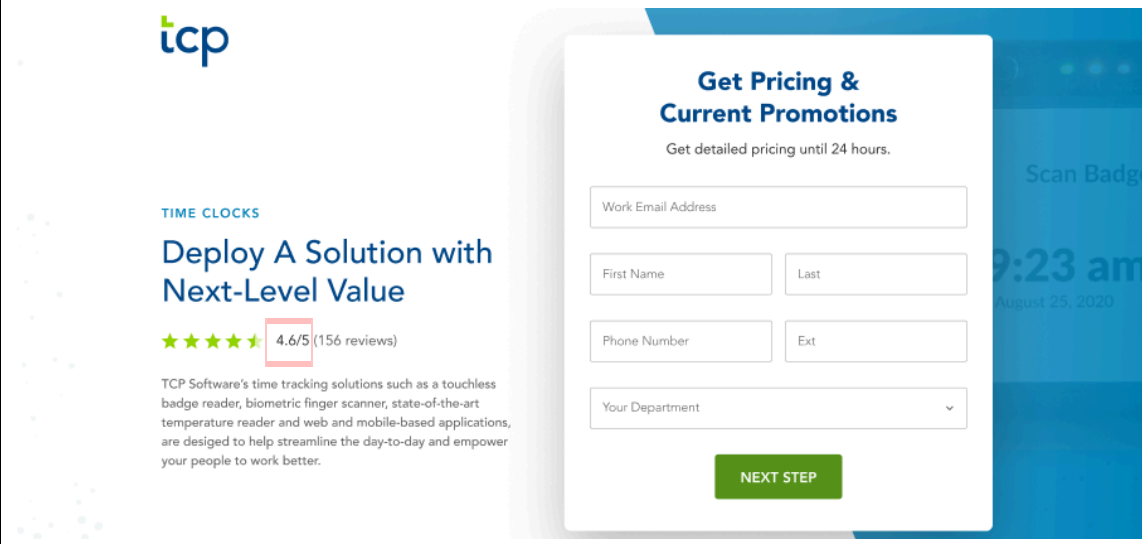

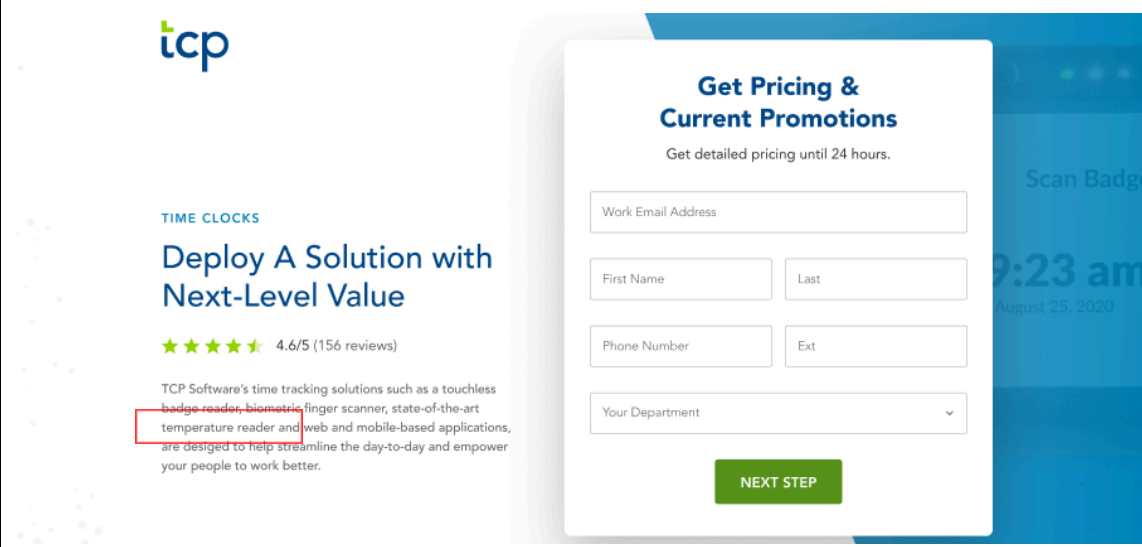

Maipelo Letebele

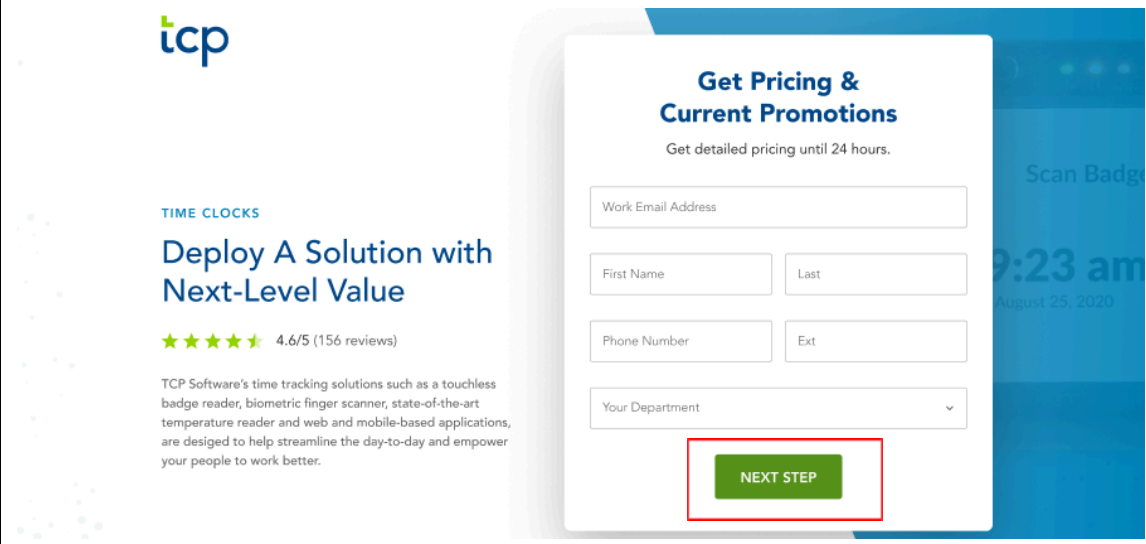

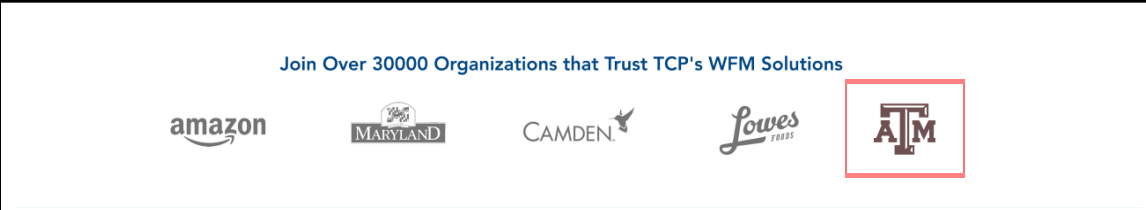

PM QA Task 2

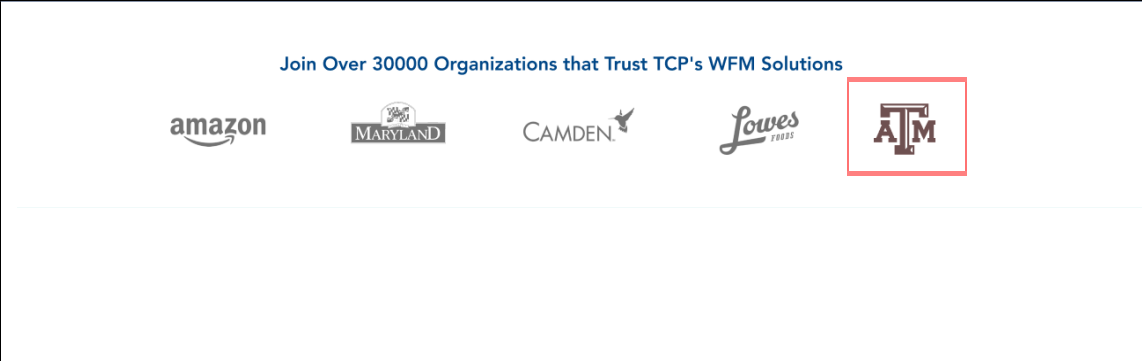

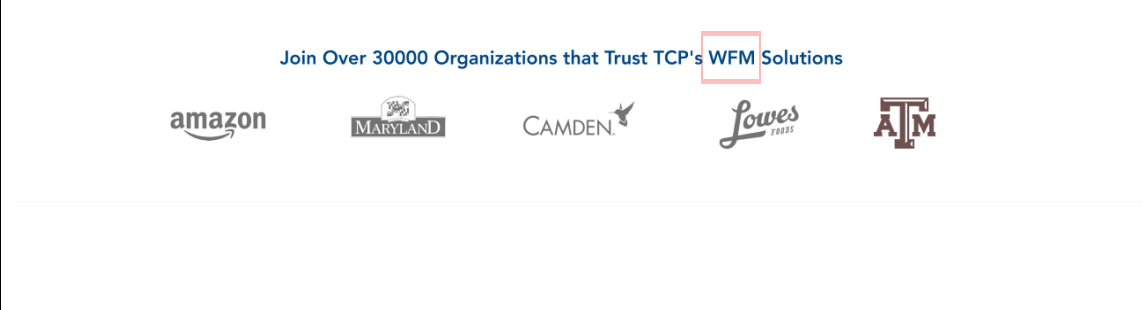

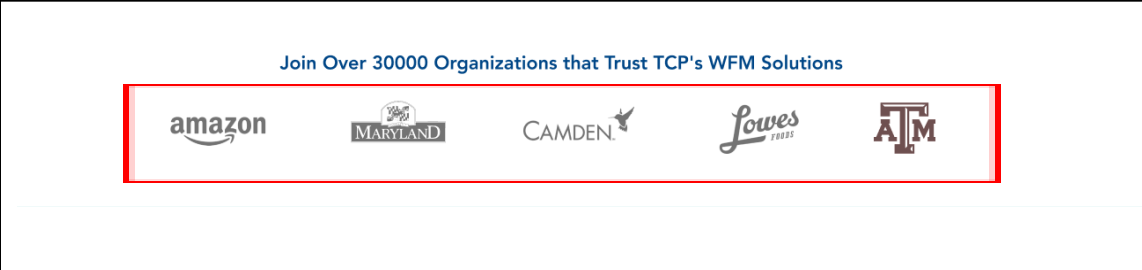

#	Issue	Image	Actual	Expected
01	Misspelling	 The screenshot shows the TCP Software landing page. On the right side, there is a white box titled "Get Pricing & Current Promotions". Below the title, it says "Get detailed pricing until 24 hours." The word "until" is misspelled as "untill". A red box highlights the word "untill".	Get detailed pricing until 24 hours	Get detailed pricing in 24 hours

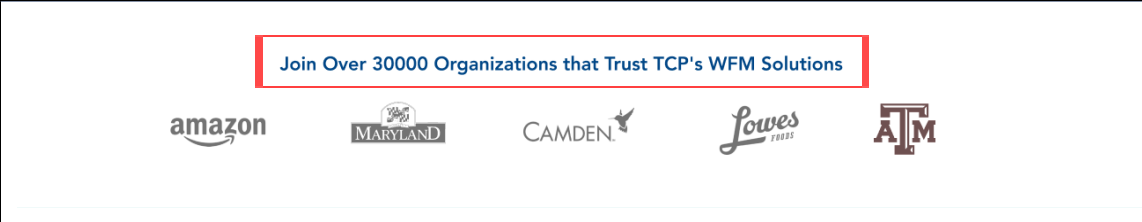

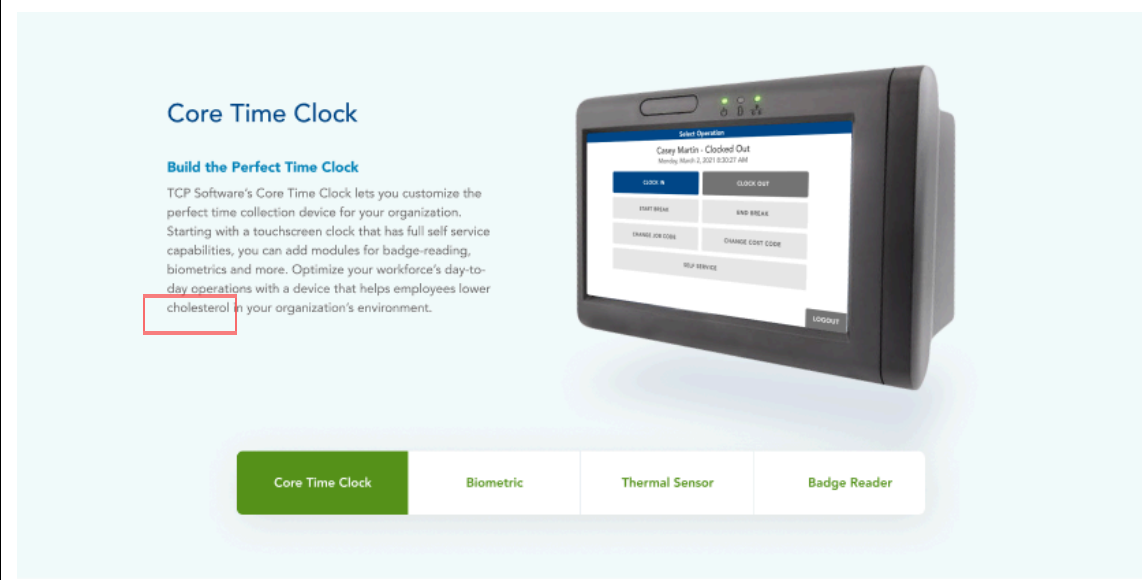

#	Issue	Image	Actual	Expected
02	Incomplete wording	 The screenshot shows the TCP Software landing page. The main heading is 'Deploy A Solution with Next-Level Value'. Below it is a 4.6/5 star rating from 156 reviews. The text describes TCP Software's time tracking solutions. On the right, there is a form titled 'Get Pricing & Current Promotions' with the subtext 'Get detailed pricing until 24 hours.' The form has fields for 'Work Email Address', 'First Name', 'Last' (highlighted with a red box), 'Phone Number', 'Ext', and 'Your Department'. A green 'NEXT STEP' button is at the bottom of the form.	Last	Last Name
03	Inconsistent title case error	 This screenshot is identical to the one above, showing the TCP Software landing page and the 'Get Pricing & Current Promotions' form. The 'Last' field in the form is highlighted with a red box.	Deploy A Solution with Next-Level Value	Deploy a Solution with Next-Level Value

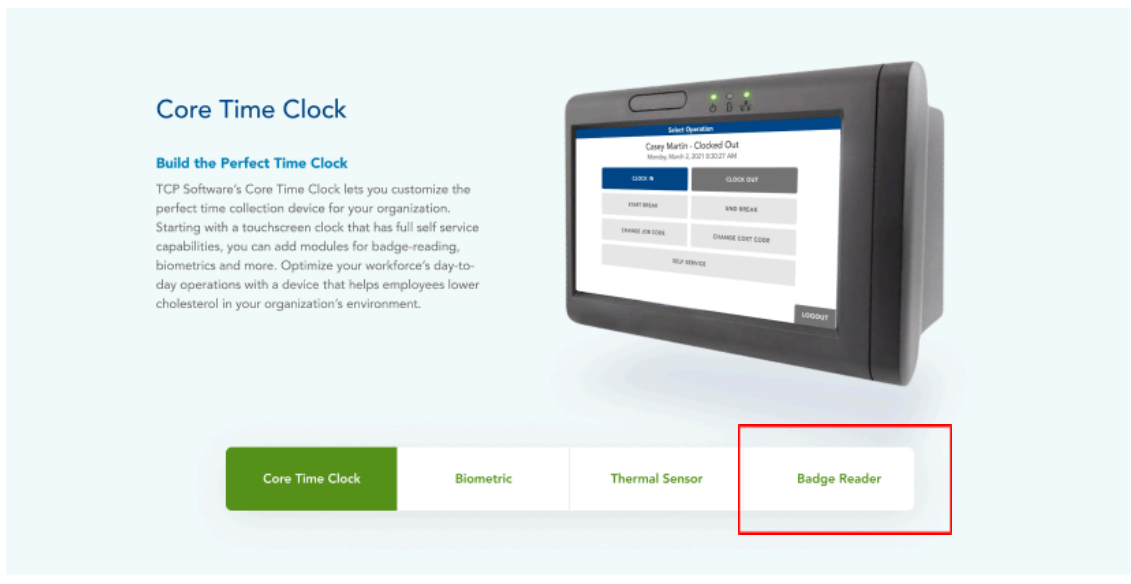

#	Issue	Image	Actual	Expected
04	Missing period in abbreviation	 The image shows a webpage for TCP Software. On the left, there's a section titled 'TIME CLOCKS' with the heading 'Deploy A Solution with Next-Level Value' and a 4.6/5 star rating. On the right, there's a white form titled 'Get Pricing & Current Promotions' with the subtext 'Get detailed pricing until 24 hours.' The form has fields for 'Work Email Address', 'First Name', 'Last', 'Phone Number', and 'Ext'. The 'Ext' field is highlighted with a red border. Below these fields is a 'Your Department' dropdown menu and a green 'NEXT STEP' button. The background of the page is blue with some text like 'Scan Badge' and a clock showing '9:23 am'.	Ext	Change to: Ext.
05	Incorrect grammar, missing comma	 This image is identical to the one in row 04, showing the same TCP Software webpage and form. The 'Ext' field in the form is highlighted with a red border.	...temperature reader and web and mobile-based...	...temperature reader, web and mobile-based...

#	Issue	Image	Actual	Expected
06	Inconsistent font color	 The screenshot shows the TCP Software website. The header includes the TCP logo and a navigation menu. The main content area features a section titled "TIME CLOCKS" with the heading "Deploy A Solution with Next-Level Value". Below this heading is a review rating of 4.6/5 (156 reviews), where the rating text is highlighted in a red box. The text below the rating describes TCP Software's time tracking solutions, including a touchless badge reader, biometric finger scanner, state-of-the-art temperature reader, and web and mobile-based applications.	The numbers 4.6/5 are in a darker color	Change the 4.6/5 font color to light grey to watch the other numbers
07	Incorrect phrasing	 The screenshot shows the TCP Software website. The header includes the TCP logo and a navigation menu. The main content area features a section titled "TIME CLOCKS" with the heading "Deploy A Solution with Next-Level Value". Below this heading is a review rating of 4.6/5 (156 reviews), where the rating text is highlighted in a red box. The text below the rating describes TCP Software's time tracking solutions, including a touchless badge reader, biometric finger scanner, state-of-the-art temperature reader, and web and mobile-based applications.	Temperature reader	It should be: Thermal sensor

#	Issue	Image	Actual	Expected
08	Incorrect phrasing	 The screenshot shows the TCP Software landing page. On the left, the TCP logo is at the top, followed by the heading 'Deploy A Solution with Next-Level Value' and a 4.6/5 star rating from 156 reviews. Below this is a paragraph describing TCP Software's time tracking solutions. On the right, there is a white form titled 'Get Pricing & Current Promotions' with the subtext 'Get detailed pricing until 24 hours.' The form contains several input fields: 'Work Email Address', 'First Name', 'Last', 'Phone Number', 'Ext', and a dropdown for 'Your Department'. A green button labeled 'NEXT STEP' is at the bottom of the form, highlighted with a red rectangular box.	Next Steps	Change to: Submit form
09	Incorrect logo used	 The screenshot shows a banner with the text 'Join Over 30000 Organizations that Trust TCP's WFM Solutions'. Below the text are several logos: Amazon, Maryland, Camden, and Lowes. To the right of these logos is a red rectangular box containing the Texas Tech logo (ATM).	ATM logo used instead of Texas Tech Logo	Change Logo to Texas Tech Logo

#	Issue	Image	Actual	Expected
10	Misalignment	 Join Over 30000 Organizations that Trust TCP's WFM Solutions amazon MARYLAND CAMDEN Lowes ATM	ATM color is full-color	Logo should not be full-color since all other logos are greyscale
11	First use of abbreviation 'WFM' is not expanded	 Join Over 30000 Organizations that Trust TCP's WFM Solutions amazon MARYLAND CAMDEN Lowes ATM	First use of abbreviation 'WFM' is not expanded	Should read 'Workforce Management (WFM)' on first mention
12	Missing logo	 Join Over 30000 Organizations that Trust TCP's WFM Solutions amazon MARYLAND CAMDEN Lowes ATM	Only 5 logos used	Add the other two logos (Woot and Wonderful Pistachio)

#	Issue	Image	Actual	Expected
13	Font size inconsistency		H2 font too small	Increase font size
14	Incorrect word used		...lower cholesterol in your organisation...	Should be ...lower risk in your organisation...

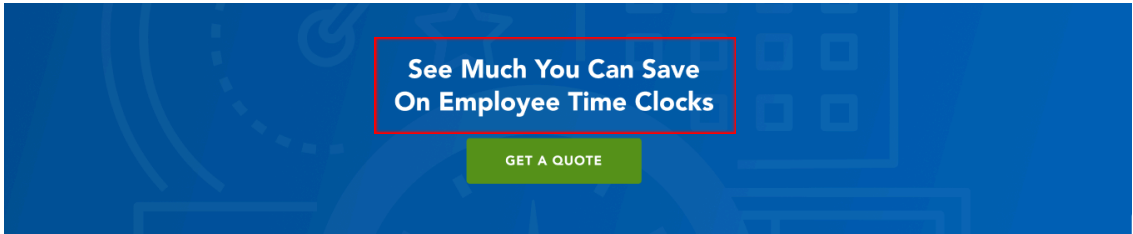

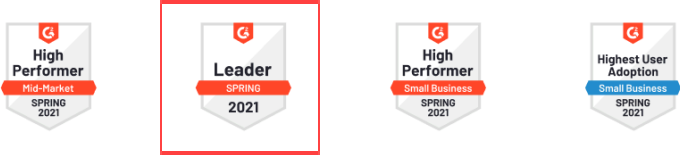

#	Issue	Image	Actual	Expected
15	Words not centred	 The image shows a screenshot of the 'Core Time Clock' interface. At the top, it says 'Core Time Clock' and 'Build the Perfect Time Clock'. Below this is a paragraph of text. To the right is an image of a physical time clock device. At the bottom, there is a horizontal menu with four options: 'Core Time Clock', 'Biometric', 'Thermal Sensor', and 'Badge Reader'. The 'Badge Reader' option is highlighted with a red rectangular box.	The words Badge Reader are not centered	Center the words

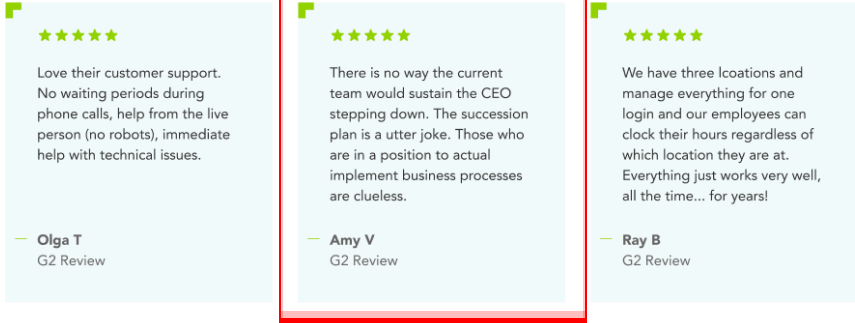

#	Issue	Image	Actual	Expected
16	Inconsistent logo size	Features  Biometric Scanner Eliminate buddy punching by allowing employees to clock in/out with biometric fingerprint scanners.  Thermal Sensor Scan employee temperatures touch-free when they clock in for work. Help protect against COVID-19. Fully HIPAA and ADA compliant.  Touchless Badge Reader Enable employees to "scan and go." Wave the badge in front of the screen, or swipe a magnetic or barcode badge. Savings Save up to 107% over retail prices. Benefit from TCP's purchasing power. Plus expert customer support.  Website lead capture This tool helps with collecting customer data which aids in the conversion process	Duplicate paragraph	Replace with correct writing

#	Issue	Image	Actual	Expected
20	Missing word		See much you can save on employee time clocks	Replace with: See how much you can save on employee time clocks
21	Date inconsistent with control		Spring	Change to: Fall
22	Date inconsistent with control		Spring	Change to: Fall

#	Issue	Image	Actual	Expected
23	Date inconsistent with control		Spring	Change to: Fall
24	Negative review inconsistent with 5 star rating		5 Star rating inconsistent with negative review	Replace review with positive review

#	Issue	Image	Actual	Expected
25	Incorrect comment	 The screenshot shows a horizontal carousel of three review cards. Each card has a green star rating (5 stars), a text comment, and a reviewer name with 'G2 Review' below it. The first card is by Olga T, the second by Amy V (highlighted with a red border), and the third by Ray B.	This is not Amy V's comment according to the control.	Replace with Amy V's comment from control
26	Missing review carousel	 The screenshot shows three review cards arranged horizontally, but they are not part of a carousel. Each card has a green star rating (5 stars), a text comment, and a reviewer name with 'G2 Review' below it. The first card is by Olga T, the second by Amy V, and the third by Ray B. There are red square markers on the left and right sides of the cards.	The review carousel is missing, other comments cannot be viewed	Add the carousel features to read other reviews

Suggestions for Improvement

#	Suggestion	Positioning	Rationale
01	Add a sticky Chatbot	 © 2021 TimeClock Plus, LLC. All rights reserved. Privacy Policy	Enables users to get instant answers without leaving the page, reducing drop off
02	Add a Contact Us button or form	 © 2021 TimeClock Plus, LLC. All rights reserved. Privacy Policy	Gives users a direct path to the sales team, especially useful for enterprise buyers
03	Add social media links to footer	 © 2021 TimeClock Plus, LLC. All rights reserved. Privacy Policy	Increases brand credibility and gives users additional touchpoints to engage

Add a FAQ
section

★★★★★

Love their customer support. No waiting periods during phone calls, help from the live person (no robots), immediate help with technical issues.

Olga T
G2 Review

★★★★★

There is no way the current team would sustain the CEO stepping down. The succession plan is a utter joke. Those who are in a position to actual implement business processes are clueless.

Amy V
G2 Review

★★★★★

We have three loations and manage everything for one login and our employees can clock their hours regardless of which location they are at. Everything just works very well, all the time... for years!

Ray B
